TESTED FOR HARMFUL SUBSTANCES

Why BSI Certification: By certifying with BSI, Safety Mate demonstrates to users of our products, that they not only use industry-respected best practices but also choose to work with the organization that developed many of these standards. As a highly trusted global regulator, BSI tests products against industry recognised standards. In a world where safety is of paramount importance, BSI and its logo offer additional value and guarantees that products have been expertly tested to market-leading standards of quality, safety and durability.

PRODUCT DISCLAIMER: Gloves that provide cut resistance are not cut-proof. The risk for these sorts of injuries will not be completely eliminated or prevented by the use of gloves. Cut resistant gloves are not intended to provide protection against powered rotated blades or equipment, serrated or other sharp or rotating equipment. It is the responsibility of companies and/ or glove users to perform their own testing to determine the suitability for a particular application or use within the environment the gloves are to be used. Safety Mate Pty Ltd may revise this information as new information, knowledge or experience becomes available. EN407 tests are performed on the palm part of gloves only.

TAKING ACTION ON MENTAL HEALTH

SAFETY MATE HAS LAUNCHED THEIR
NEW BLACK DOG CUT D GLOVE TO SUPPORT
THE WORK OF THE BLACK DOG INSTITUTE

- 👉 Mental health is becoming widely acknowledged as an important component in business stability, workforce and even productivity.
- 👉 20% of Australians will experience symptoms of mental illness each year.
- 👉 The Black Dog Institute is a not-for-profit facility for diagnosis, treatment and prevention of mental illnesses such as depression, anxiety and bipolar disorder. Their aim is to create a mentally healthier world for everyone.

For every pair of Black Dog Cut D gloves sold, Safety Mate will donate \$1 to the Black Dog Institute so they can continue their important work.

Choose the Black Dog Cut D gloves for your next order of cut resistant gloves and know that you're making a difference by supporting mental health initiatives in your community.

- Lightweight cut level D
- Touchscreen compatible
- Comfortable and durable
