## Standards & Certification

EN 388:2016

EN 407:2020

3X42F

X1XXXX

OEKO-TEX®  
CONFIDENCE IN TEXTILES  
STANDARD 100

CE  
2797  
CE 719275

Graphex® recognise that without product certification by a Notified Body all product performance testing, and adherence to standards claims cannot be independently verified. If they are not as claimed, serious safety implications for the wearer, and legal implications for the supplier and even the employer may arise.

Graphex source their entire range of Synthetic hand protection from a single manufacturing partner to ensure consistency and reliability of product, but most importantly Graphex have taken the further step of engaging a globally recognised Notified Body to audit and certify both the manufacturing process and the products.

All of Graphex's hand protection is certified as per AS/NZS and CE hand protection standards.

## Specifications

<b>Part No.</b>	GFPR530
<b>Liner</b>	Graphex®
<b>Coating</b>	Silicone Forearm

## Packaging

1 6 36

## Sizing & Fit

### Available Sizes

● GFPR530 OSFA

## Key Technologies

### Graphex® Yarn

Graphex® yarn provides the highest levels of mechanical performance, with exceptional comfort and dexterity.

## Reach Compliance

### Required Safe pH Level

*Certified under AS/NZS 2161.2:2020 and EN ISO 21420:2020*

### AZO Dye and Irritant Chemical Free

*Certified under AS/NZS 2161.2:2020 and EN ISO 21420:2020*

## Sun Protection

### UPF50+ Sun Protection

Pass under AS/NZS 4399 Sun Protective Clothing.  
*Tested by Australian Radiation Protection And Nuclear Safety Agency (ARPANSA).*

## Glove Care

Machine Wash <40°C

Cold Water Rinse

Dryer <60°C
